

Banner Homes Group PLC is a highly successful privately owned Property Developer with a quality product and an excellent reputation.

We are looking to recruit for the following position:

### **Architectural Technician**

The following qualifications, skills and working experience are essential to the role and the successful candidate will be able to demonstrate a proven ability in these areas:

- A HNC/HND in Construction/Building or equivalent qualification is desirable
- Previous experience in producing working drawing packages for residential developments and liaising with NHBC/LA to secure building regulation consent
- Excellent knowledge of AutoCAD Architecture, excel, word & outlook
- Confident and personable manner in dealing with external consultants and other departments
- Thorough Knowledge of the Building Regulations is essential
- Knowledge of renewable energy technology & The Code for Sustainability would be a benefit

Working as part of a busy technical team, the successful candidate will be working on a range of interesting residential developments, taken from the planning approval stage through to site completion. The position will also involve assistance to the construction team and the opportunity to attend sites during construction phase.

Interested candidates should forward their CV and current salary to Steve Rule, Banner Homes Group PLC, Riverside House, Holtspur Lane, Wooburn Green, Buckinghamshire, HP10 0TJ or [rule@bannerhomes.co.uk](mailto:rule@bannerhomes.co.uk)
