

*The luxury lifestyle that everybody's talking about.
See how happy you could be at Whitehorse Park.*

We could tell you how exceptional Whitehorse Park is. How these luxury new three, four and five bedroom homes blend the very best in style and convenience. We could talk about the unrivalled location in Hanwell Fields, the idyllic countryside setting, the focus on quality by an award-winning housebuilder. We could say all that and more. But we'd rather our delighted purchasers do so for us.

"With a new baby, we wanted a home we could start enjoying from day one. And it was a nice thought knowing that we were the first people to live here. We are delighted! The layout is perfect for our needs, the building quality is impressive and it's a lovely area to raise children. I truly believe that this is our 'forever home' – there just seems no need to move."

The Chambers Family

"We've been really pleased with our new Banner home. The quality of the workmanship and the fixtures and fittings have been far superior to previous properties we've lived in."

L Tacalopoulos

"Thanks for the great sales service offering comprehensive information about the development. Thanks for the efficient process for exchange and completion. Thanks for the welcome package and bottle of champagne. Thanks for everything!"

Tina & Gordon

"We spotted the Banner Homes Whitehorse Park development while we were on the way to view another property. The quality and contemporary design was so attractive. It really is our dream home."

Mr & Mrs Fu

"From the standard of design and quality of construction right through to the fixtures and fittings, Banner's attention to detail is extremely impressive. As a first time buyer, I found the help and support that was available before, during and after the sale invaluable; I couldn't have hoped for a better experience."

Mr Jennett

"We came across Whitehorse Park when we were looking to move to the Banbury area at the end of 2008. By February 2009 we had negotiated a part exchange with Banner Homes and moved into our brand new house already. The overall quality of the house and the service is very good. We are pleased we chose Banner Homes and would have no hesitation in recommending them to others."

Dr & Mrs McCombes

"When we visited Whitehorse Park we immediately noticed a marked difference in the standard of quality and high workmanship that was incorporated into the homes. The shape, size and layout of the four bedroom townhouse was perfect – quite simply, it meant we didn't have to make any compromises. We all knew this was a place we could call 'home'. We now live in a great location, in a house that suits the needs of all the family, and we didn't have to blow the budget to acquire it!"

The Smith-Davenport Family
